Sales Terms:

The purchaser is responsible for reading all terms and conditions listed. We follow a strict universal policy on the following issues that will be enforced. All sales are final, we are not able to offer returns or warranties on any of our items at this time. All property is sold as is, meaning with any defects both known and unknown by the seller. The item condition will be described in each listing and can be seen in attached photographs. The purchaser carries the responsibility of thoroughly viewing both photos and descriptions before a transaction is made. Payment is required in full within 48 hours of the closing sell or bid. We do not offer any payment plans at this time. We accept any immediate payment options available through Aucto and it's payment portal at checkout. If payment is not timely and in compliance with the above policy the items will be cancelled and re-listed. No items will be shipped until payment has been made for all acquired costs listed on the invoice. If any questions regarding an item arise we are always available for questions via messaging through the Aucto messaging center.

Payment Terms:

Payments will be made through the Aucto Payment Gateway. Paying via credit cards will only be available for orders under \$5000.

Removal Terms:

We are currently offering an option to allow buyers to pick up their items on site if preferred over shipping. Inform our team post auction and we will work in conjunction with you to set up a date and time for pick up. We will be on site during your scheduled window to load your items which will be pre packaged upon your arrival. Due to current circumstances with the ongoing pandemic we will be operating under a no contact operation while loading your items. We will load your vehicle of choice as efficiently as possible while keeping both our employees and yours safe. All shipping and handling will be completed on site at our warehouse. The purchaser is responsible for all shipping costs. Upon a purchase we will research and charge a shipping and handling fee. These charges will vary depending on weight and dimensions of items sold as well as destination. We will ship using any mechanism we see fit meaning that which is the most cost effective and secure for your purchase. The price for this will be added to your invoice for payment. Standard shipping procedure consists of items weighing below 150lbs being sent through Fedex and items totaling above 150lbs being freighted. The above applies in most instances, however if the need arises we will seek shipping through alternative methods to ensure proper and timely delivery. If a lift gate is required for your shipment upon delivery additional shipping charges will be accrued. We take the shipment of your purchases seriously, your items will be packed for travel to promote them being unharmed during the shipment process.

Payment Instructions:

Payments will be made through the Aucto Payment Gateway. Paying via credit cards will only be available for orders under \$5000.
