This needs to be worked out with the seller prior to pick up on Aucto's messaging portal. Items can only be removed once full payment is received by the seller. The buyer accepts any liabilities that might occur during the on-site removal process and agrees that Hemphill LLC is not liable in any way. If the buyer fails to remove their pieces before the deadline, the seller reserves the right to hold, sell, or dispose of purchased items without notice at any time after the removal deadline. The seller holds complete discretion as to whether a longer removal period will be provided.
