TERMS OF ASSET OFFER AND ACCEPTANCE Global Machine Brokers, LLC Seller for good and valuable consideration and without representation or warranty of any kind or nature, will transfer and convey to buyer all of seller's right, titleand interest in and to the following item(s) of equipment (the Equipment). Global Machine Brokers, LLC shall act as commissioned broker representing both above named parties. THE EQUIPMENT IS BEING CONVEYED TO BUYER WITHOUT REPRESENTATION OR WARRANTY BY SELLER AS TO CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND BUYER HEREBY PURCHASES THE EQUIPMENT ON AS IS WHERE IS BASIS AND ACKNOWLEDGES RECEIPT OF SAME ON SUCH BASIS. It is the responsibility of the buyer to comply with all current OSHA and ANSI regulations and standards in reference to point of operation guarding. The buyer herebyreleases seller from any liability arising with respect to personal injury as a result of operating the equipment. Note: The Seller and Global Machine Brokers, LLC are acting as the seller or brokers and are to be held harmless in the event of any claims. Buyer hereby represents to Seller that it is purchasing the Equipment for its own use in its businessoperations within the territory of the United States of America or Canada and does not intend to resell the Equipment to another third party or to export such Equipment out of the territory of the United States of America or Canada in violation of any applicable law or regulation (of the United States of America or otherwise) or of any international law, regulation, treaty or trade agreement, and that Buyer intends to comply with allapplicable laws and regulations of the United States of America with respect to its use of such Equipment. Buyer assumes all responsibility for determining the applicability of any restrictions imposed by the rules orregulations of the United States Department of Commerce or the State Department or any other governmental authority with jurisdiction over such matters on the use of the Equipment and/or any limitations on Buyer's right and/or ability to export such Equipment outside the territory of the United States of America or Canada. Buyer (at its expense) will be required to make arrangements satisfactory to Buyer to obtain possession of the Equipment and to remove such Equipment from Seller'spremises. Buyer hereby releases Seller from any liability arising with respect to access to the Equipment and hereby agrees to indemnify Seller for any liability or expense incurred or suffered by Seller with respect to any damage caused to Seller's premises by Buyer or its agents in taking possession of the Equipment and removing same from Seller'spremises. Such services may be contracted by Buyer with Global Machine Brokers, LLC. In the event that GlobalMachine Brokers is contracted to arrange for the transportation, installation or storage of such Equipment, Global Machine Brokers will arrange for insurance on behalf of the Buyer and Buyer will pay premiums associated with said insurance. Insurance will be for causes of loss customarily found in such insurance policies and valued at the purchase price of such equipment.
